EXAMINER'S AMENDMENT and Reasons for Allowance

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 8, subparagraph (g), first line, the period following "...time" has been deleted.

This amendment is made in order to correct a typographical error.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: none of the prior art of record teaches or suggests: the process of independent claim 1 wherein welding time is determined as a function of detected height and a predetermined speed combined with the other claim steps; the process of independent claim 8 wherein the energy to the weld head is stopped in the manner claimed, combined with the other claim steps. The dependent claims are allowable at least because they depend from the allowed independent claims.
